

# Capital Giving

The **Alice Aycock Poe Center for Health Education**, located on Sunnybrook Road in Raleigh, needs YOU to help us raise the roof!

We are celebrating our 20<sup>th</sup> year in our facility, and we need your support to help us replace the roof and install new Heating Ventilation Air Conditioning (HVAC) units. **This one-time gift, will allow the Poe Center another 20 years of providing health education to North Carolina children, youth and families.**

YOUR support helps us to allocate our resources towards our mission-driven work: educating and empowering North Carolina children, youth and their families to make choices that increase positive health behaviors.

We have many more needs and welcome YOUR donation and support! Please schedule a time to visit us and take a tour of the Poe Center's Raleigh facility to learn more about how YOU can make a difference.
