

# Unlocking the POEtential

## Annual Funds & Events

The **Alice Aycock Poe Center for Health Education** kicked off its inaugural annual event, *Unlocking the POEtential*, on September 17, 2011. The event marked the Poe Center's 20<sup>th</sup> anniversary at the Sunnybrook Road facility, and helped to raise over \$25,000!

*Unlocking the POEtential* requires creativity, a commitment to the health of the North Carolina community, and external support. Our event sponsorships played a major role in the Poe Center being able to replace our 20-year-old roof and Heating Ventilation and Air Conditioning system.

As truly unlocking one's potential requires multiple avenues, so will Unlocking OUR POEtential. From our inaugural event, to annual meetings, to lunch and learn sessions-we will tell the Poe Center's evolving story in new and innovative ways.
