

Youth Mental Health First Aid

*Presented by the Poe Center for Health Education,
in partnership with The Harnett County Partnership
for Children.*

Mental Health FIRST AID

from NATIONAL COUNCIL FOR MENTAL WELLBEING

Youth Mental Health First Aid is designed to teach parents, caregivers, educators, professionals, and other caring adults how to help an adolescent (age 12-18) who is experiencing a mental health challenge, addiction challenge, or is in crisis. The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations.

Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.

Wednesday, October 28, 2026

9:00 a.m. - 5:00 p.m.

The Harnett County Partnership for Children

327 Pine State St

Lillington, NC 27546

Presented by the Poe Center for Health Education
